

7th

Mintek Analytical Science Symposium

Innovative Analytical Methodology in the Mining & Metallurgical Industry

Friday 3rd November 2017 | Mintek Conference Centre

Call for Papers

At a glimpse, ore beneficiation to finished metallurgical products, including waste disposal, seems like a simple process, but in reality the analytical chemist faces constant challenges in their quest to find the most cost-effective solutions to on schedule and accurate determinations. How did you overcome these challenges? Share your analytical solutions with us at the 7th Mintek Analytical Science Symposium.

Prospective authors are invited to submit titles and abstracts of their papers, in English.

The abstracts should not be longer than 250 words.

Schedule

Please diarise the following key dates

10 July 2017	Closing date for submission of titles and abstracts
21 July 2017	Acceptance of titles and abstracts
25 August 2017	Closing date for submission of final paper
24 October 2017	Closing date for submission of presentations
03 November 2017	Symposium

Exhibitions

Exhibitors are welcome

Price per stall:	R3 460.00 excl. VAT.
Stall package:	Floor space of 2m x 2m; standard Mintek table with black table cloth; two chairs; refreshments and entrance for two representatives
