

CATSA 2022

13 – 16 November 2022

Champagne Sports Resort, Central Drakensberg, KwaZulu-Natal, South Africa

2ND ANNOUNCEMENT AND CALL FOR PAPERS

32nd Annual International Conference of the Catalysis Society of South Africa (CATSA2022)

“Integration and Synergies between Homogeneous and Heterogeneous Catalysis”

For more information and registration, visit: www.catsa2022conference.co.za

The conference Organising Committee invites abstracts for oral or poster presentations, addressing one of the conference themes, or any topic relevant to catalysis. Abstracts must be submitted from **1 April to 15 July 2022**. Delegates are encouraged to take advantage of our reduced early-bird registration fees.

THEMES

- Heterogeneous Catalysis
- Homogeneous Catalysis
- Bio-catalysis & Enzyme Catalysis
- Electrocatalysis
- Theoretical Catalysis

IMPORTANT DATES

Abstract Submission Opens: April 01, 2022
Abstract Submission Closes: July 15, 2022
Acceptance Letters: August 31, 2022

REGISTRATION DATES

Early-Bird Registration: April 01- July 31, 2022
Standard Registration: August 01 – September 30, 2022

Late Registration

From October 01, 2022

Prof. E Charlie H Sykes

TUFTS Massachssets

CATSA2022 Eminent Visitor and Plenary Speaker

TOPICS

Topics of interest include, but are not limited to:

- Catalysis and applications
- Catalysts synthesis
- Catalysis for renewable source
- Catalysis for water treatment
- Integrated catalysis
- New catalysts designing
- Chemical kinetics and catalysts activity
- Fuel cell catalysis
- Environmental catalysis
- Analytical methodologies in catalysis
- Catalytic materials
- Computational catalysis
- Homogeneous and molecular catalysis
- Catalysis in nanotechnology
- Photocatalysis

Category of participant	Early Bird 1 April - 31 July	Standard 1 Aug - 30 Sept	Late From 1 Oct
Delegate/Postdoc	R12,000	R13,500	R14,000
Student (sharing)	R8,500	R9,500	R10,000
Accompanying person	R6,500	R6,500	R6,500
Day visitor	R6,500	R6,500	R6,500
Membership fee	R200	R200	R200
