

## THE SOUTH AFRICAN CHEMICAL INSTITUTE

### THE CHEMICAL EDUCATION MEDAL

The award shall be made to a member of the Institute, in good standing, who has made an outstanding contribution to chemical education, as judged by the person's published work in the previous five years. Published work may be in any form and may be related to any level or educational context.

The medal shall be known as the **Chemical Education Medal of the South African Chemical Institute**. The medal is struck in silver and bears the Institute's name and crest on the obverse, and the name of the medal, together with the name of the recipient and the date on the reverse. The medal shall be accompanied by a suitably inscribed scroll.

The Council may, at its discretion, suspend this award in any year in which there are no suitable candidates.

Past medalists are ineligible for nomination for a second award of the above medal.

### PROCEDURE FOR NOMINATION/APPLICATION

The merits of the work of the candidates may be brought to the notice of the Council either by persons who desire to recommend candidates (nominations) or by the candidates themselves (applications). **All the support for a candidate must be submitted in writing.**

#### **Nomination/Application requirements:**

Nominations or applications should include the listed documents in the following order:

- (1) The completed Chemical Education Medal 2025 Nomination Form,
